The Dow of doughnuts

No one seems to be having much fun with the stock market these days, except Houlihan's.

Its Dowwie Wowwie promotion runs through Feb. 27. Customers dining at either of the two Houlihan's after 4 p.m. will receive one of two offers based on the outcome of the Dow Jones Industrial Average for the day. First offer: Italian doughnuts free if the Dow is up. Second offer: Certificate for a free appetizer with purchase of entrée to use on their next visit if the Dow is down.

Houlihan's is at 938 N. Loop 1604 W., (210) 494-3371, and 14601 I-35 N., (210) 651-4744.
