If fall and winter flavors tickle your fancy, Houlihan's Prestonwood is here to woo you with a new menu.

Houlihan's Prestonwood is now offering an eight-item seasonal special menu. From a German-inspired appetizer dish to an apple pie-flavored alcoholic treat, the new menu is jam-packed with seasonal tang.

Two new, filling appetizers are available for those who want to munch on a little something before their main course.

For bread and cheese lovers, the **soft Bavarian pretzel sticks** are sure to satisfy. The easily-accessible pretzels are served with smoked Swiss beer-cheese dip and house-made stone ground mustard. For those who like spice, the **crispy shrimp** appetizer is for you. Crispy shrimp are drenched in a spicy, creamy sauce and served with a side of Napa slaw and banana-ginger vinaigrette.

For the main course, Houlihan's Prestonwood's seasonal special menu offers two new savory entrées. The **Maryland crab cakes** are served with brown rice, pineapple-mango salsa, wasabi

mayo and mango "ketchup." The **Cajun grilled chicken penne pasta** is tossed with wild sautéed mushrooms, crispy snow peas, baby spinach, sweet roasted shallots, pepper

jack cheese, fresh cilantro and roasted red pepper pesto.

What's a better fall or winter dessert than a comforting, fried delectable delight? The "**Donugets**" are warm cinnamon-sugar donut bites that are served with apple-caramel dunking sauce.

A new menu is never complete without specialty drinks and beer, of course. Houlihan's Prestonwood is now mixing and offering three seasonal alcoholic beverages.

If you're a fan of apple pie and moonshine, sip on the **ole 'shiney apple**, which includes Ole Smoky Apple Pie Moonshine, Cointreau orange liqueur, fresh apple juice, fig preserves and a dash of spicy cinnamon. For a kicked up creamy, sweet concoction, try the **fireside martini**, which has Pinnacle whipped vodka, Maker's Mark Bourbon Whisky, maple syrup, sweet cream, caramel swirl, whipped cream and a candied pecan topper. If beer's more your thing, Houlihan's has **Sam Adams seasonal drafts** to satiate your thirst.

This seasonal special menu will only be available until late December. Don't miss your chance to have a great fall and winter-inspired meal. Visit Houlihan's Prestonwood today!
